Health & Wellbeing for Life

FOOD SERVICES ASSISTANTS RECRUITING NOW.....!!!!!!!

Food is such an integral part of an aged care facility because each meal brings great joy to people who in their day either used to be great cooks themselves or great consumers. But cooking for the elderly is completely different than cooking for your family or in a café or restaurant.

Here at Cobden Health everyone looks forward to meal times so we are seeking Food Services Assistants who are passionate about food and who are innovative and creative and who can think outside the square and deliver nutritious and delicious meals.

So if you are looking for a flexible work place and become part of a dynamic Food Services team we would love to hear from you.
