

Live local.....work local.....!

*Come back to Cobden Health.....
We're recruiting now!*

If you want to work in an environment where care
and compassion is part of the daily routine
then come and work with a great team of people
at Cobden Health.

Vacancies exist for Registered Nurses
especially those with ACFI experience.

If you are an Enrolled Nurse looking for more
Responsibility then you will get it here.....
we need you too!

And we always need Personal Care Assistants.

So if you would like to join us in serving the Cobden and
wider community in beautiful South West Victoria
we would love to hear from you.

*Enquiries to Ali Rodda – Acting Chief Executive Officer.
